

Welcome to Brookshire!

New Residents!

The Brookshire Veterans Group would like to welcome you to our community!

Our group is open to all Veterans and we usually meet monthly in the Community Center Café. If anyone in your new Brookshire home is a veteran we would like you to contact us and add you to our roster. We currently have over 50 residents or former residents who are veterans and we want to be sure we have everyone who has served included on our roster. We also are searching for anyone who is a “Gold Star” family member or a “Daughter of American Revolution” (DAR) member.

Please check the “Brookshireweb.com” website and Grapevine newsletters for information regarding our meetings and events. You will see a “Brookshire Veterans” tab at the top of the website homepage. If you click that tab you will find information about past events. We are a very ‘new’ group and would like to have all Brookshire Veterans participate in serving our community. We have established several committees for those who would like to help.

Memorial Committee – Gather information for our roster and create a record of our members.

Flag Committee – Provide information regarding proper flag flying and etiquette to the community. Assist residents with mounting a flag. We also have asked each veteran to fly their ‘Branch of service’ flag on designated holidays. If you would like to participate in this please contact us. We can provide a very inexpensive branch flag (\$5.00) and mount it for you. Look for your veteran neighbors’ flags near their driveway on the next flag flying holiday. You may want to thank them for their service!

Support Group – Sends out cards to servicemen and women and veterans homes through the Red Cross.

VA Liaison – We have a designated representative to maintain contact with the VA to assist with Veterans Administration questions and available services.

Planning Committee – Responsible for overall planning for our group. If you have any questions about our group please contact us..... Denny Johnson, phone or text (610) 462-1023, email: denj@ptd.net

We have a “**Flag Retirement box**” for your worn and unserviceable U. S. flags and a “**Letters to Servicemen Basket**” located in the Community Center Newsroom for your use. Check them out on your next trip to the Community Center.
